

Youthful Farmers Take The Floor

T. C. HART

Palatine has entertained at many track meets and basketball tournaments, but last Saturday Agricultural director, Herstrum and his boys were hosts at a new kind of tournament.

In the high school gymnasium where one is wont to see Coaches and school principals conferring at basketball games, you could see a group of agricultural professors in a huddle.

Beneath the north basket in place of a team resting during a "time out" were huge baskets of corn, and what corn it was.

Corn that would make the gentleman farmers of Nebraska and Plum Grove and also a lot of real dirt farmers green with envy; corn that would have done credit to the great state of Iowa, out "where the tall corn grows."

And instead of the music of that cocky high school band, there was music just as loud and just as cocky from the roosters of a lot of fine breeds of poultry and a couple of big gamesters proudly strutted their stuff with all the pomp of any niftily dressed drum major.

There were big piles of potatoes that would equal the best that Idaho could produce, pails of shell corn, cow peas, jars of honey, samples of different kinds of foder, pails of fine grains, in fact just about everything that comes from a farm was there.

And in and out amongst the whole array were keen eyed, interested youngsters, changing the exhibits, arranging new ones, watching the judges at work and comparing notes on the different exhibits.

The future farmers of America had come to the metropolitan area to show that all of northern Illinois isn't yet Chicago.

Youngsters from eighteen different schools had brought their products to be judged in the big round up.

Many breeds of poultry were on display and they were fine birds that the youngsters had raised, birds that would make any older showman step to beat them in any show ring.

The whole thing was in striking contrast to any other "tournament" ever held in Palatine.

There were no skantly clad youngsters dashing around a cinder track to the roar of a crowded stand.

Instead there were youngsters in overalls, jacket or sweater and cap quietly taking care of their birds or arranging their grain exhibits.

There was no feverish dervishes whirling about the basketball floor to the almost insane howling of a frenzied crowd.

Instead were those serious "Ag." professors and their boys eagerly set upon doing their best in their own field of work and in learning how to do a good job even better.

And out of the whole spectacle you somehow got the idea that after all, high school isn't all athletics, coaches, bands, etc., and that behind it all there is something solid and of an enduring nature.

And you are impressed once more that behind the whole fabric of American civilization stands the American farmer, and that here before you these youthful farmers are training to take their place in the farm population of America, a population that is the backbone of the nation.

Juvenile Delinquency Still Exists In Palatine

"Evidently all of the childish 'pranksters' in Palatine haven't been rounded up. Friday evening someone stole a rear wheel and tire from the car of Albert Baumgart and a spare wheel and tire from the car of Charles Butkus.

A fan was also stolen from the car of Martin Plate. The cars were parked at the Palatine high school. So apparently there are some playful youngsters around who think it's all right to borrow tires, wheels, etc., from other people's cars, without the formality of saying anything about it.

Greenhouse Owner Killed By Hit and Run Driver Sunday Night

Fred Maier, owner of a greenhouse near the intersection of Rand and Quentin roads, was killed Sunday night when he was hit by a car. The impact was so hard that the fender of the car was torn off and the hip and leg of Maier were fractured in many places. He died ten minutes later. The accident occurred near his home.

Veterans to Stage Big Thanksgiving Dance At Field House Wednesday

Arlington Post No. 981, Veterans of Foreign Wars, will stage their Thanksgiving Dance Wednesday evening, November 23.

The dance will be held at the beautiful new field house in Arlington Heights' new recreation park.

A large crowd is expected as many tickets have been sold.

Heine's orchestra will furnish the music.

Escape From Jr. Class Salesman Is Impossible

It was last week that a Palatine housewife answered the door bell and was met by a courteous young man, a member of the high school junior class, who suggested that she purchase a season ticket for the basketball season. There was no sale. He next offered tickets to a class sponsored movie at the local theatre. Again failing he suggested that perhaps the lady of the house would enjoy attending the junior class play. Failing there, he offered to take orders for either Thanksgiving or Christmas candies. Not in the least daunted, he offered to submit samples of Christmas cards.

Even the housewife admitted that such persistence was entitled to a reward. It looks as though salesmanship is part of the new curriculum at that high school.

Hunter Fined For Hunting Within Palatine Village Limits

Alfred Burlet and his son, John, of Chicago, were arrested by Palatine police officer Kable Friday morning for hunting within the Village limits and were fined \$10 and costs each by Judge Steinbrink.

This case was the first game violation brought before a local judge this season which is sharply in contrast to the old days when a local game warden was on the job.

Present Sixty Awards At Arlington 'A' Club Banquet; Practice Starts In New Gym

Lemke, Bubltz Are Elected Co-Captains For Next Year

One of the largest groups of boys ever to receive honor awards in football at Arlington Heights were granted these awards by the "A" club last week.

Twenty-five boys were given their first A's, thirteen of them for the major time. Eighteen of the lightweights received their numerical and fifteen boys were given the Minor "A" which is the award given the Fresh-Soph midgets. Two boys were also given their A's as some small compensation for their work as managers.

At a luncheon one noon last week in the banquet room of the cafeteria, the boys met to elect their honorary captain for the past season. After being treated to ice cream and cake by the athletic department, they proceeded to the business of the day. The squad, feeling that it would be a fine thing to elect co-captains to represent such a large squad, nominated Erwin Lemke, their three year center, and Ed. Bubltz, ace punter and passer the past two years, as their captains. It was surely fitting that these two boys always two of the hardest working yet self-effacing boys on the squad, should be elected to the captaincy. The boys showed their appreciation of having such type boys on the squad.

The captaincy was no new thing to the Lemke family. Erwin is the third of the family to be on Arlington football squads, all three of them rating with the all time greats of Cardinal history. Also each of the three were captains of their Arlington teams. Ed, the oldest, was co-captain with Steve Brodman in 1928. He played at tackle and like his next brother, was named on all-conference teams. Herb, long remembered as one of the best guards in a long line of fine guards at Arlington, was captain in 1931. And now Erwin. Handicapped by a knee injury in the first game of the season after a brilliant opening game against Crystal Lake, he still was out every night trying to instill some of his own spirit into the Cardinals. Assuredly only this injury kept him from being the standout pivot man of the new league.

Bubltz, the lightest man on the squad, was easily the best passer and kicker on the team and when given any semblance of blocking one of their best ball carriers. Assuredly they both are competent to wear their coveted captain's stars.

List of boys receiving awards: Major "A"—E. Lemke, E. Bubltz, J. Roche, N. Busse, R. Koenig, D. Heller, T. Dolinajec, M. Garmis, J. Heidemann, G. Milligan, K. Koelling, Robert Goedke, W. Hull, R. Haake, D. Folkman, R. Schreiber, W. Henken, B. Thoman, R. Bruhnke, A. Remus, W. Rodgers, E. Mayer, R. Hauptly, R. Heinze, L. Brodman.

Numerals—D. Zoellner, W. Webber, H. Haugen, J. Moodie, R. Dahlstrom, R. Ross, C. Stoppel, H. Becker, O. Bolte, L. Maseng, Rol. Busse, M. Russell, N. Russell, J. Morici, H. Hildebrandt, H. Dorband, T. Coleman, J. Millay.

Minor "A"—M. Remus, L. Johnson, O. Kurtz, K. Bowlin, R. Maloney, D. Anderson, Richard Goedke, C. Dearie, J. Crawford, H. Winn, J. Royer, W. Green, G. Firnbach, P. Merrill, R. Roderick.

Managers—H. Nebel, W. Schoepke.

Boys Thrilled By New Gym Floor

Basketball at Arlington was really started this Monday night. While the boys were given a few workouts last week at the Presbyterian gym it was much too small to handle the big group of boys reporting for the teams. The new floor was near enough completed to make possible a practice Monday. It was a real thrill after all these years to finally find an Arlington floor large enough and fine enough to make possible ample practice and game accommodations.

With the first game only a week away there is plenty of work to be done to get the boys in any kind of shape for this first game. The worst part of it is that the game is with a veteran Niles team on their own floor. Niles this year in the pre-season dope is unanimously agreed upon as the team to beat out for the championship.

Twelve boys have reported to the heavyweight squad. Three are yet to report being held up by minor football injuries. These are Thoman, Bubltz, and Koelling. Among the twelve are five lettermen from last year and seven boys from the lightweight squad. These are Henken, Kehe, Schulerberg, Mueller and Hull from the 1938 Heavies and Peters, Miller, Koenig, Busse, Folkman and Heller from the Lights.

The race for positions seems to be wide open since the boys are practically all of seniors of equal lack of basketball background. When they were divided for last year's Lights and Heavies it was mainly on the basis of size rather than basketball ability. This year they will all have to fight it out to see who does the playing.

This year's Lights are problematical. There are a few juniors to depend upon but for the most part they consist of untried Fresh-Soph of little or no previous basketball experience.

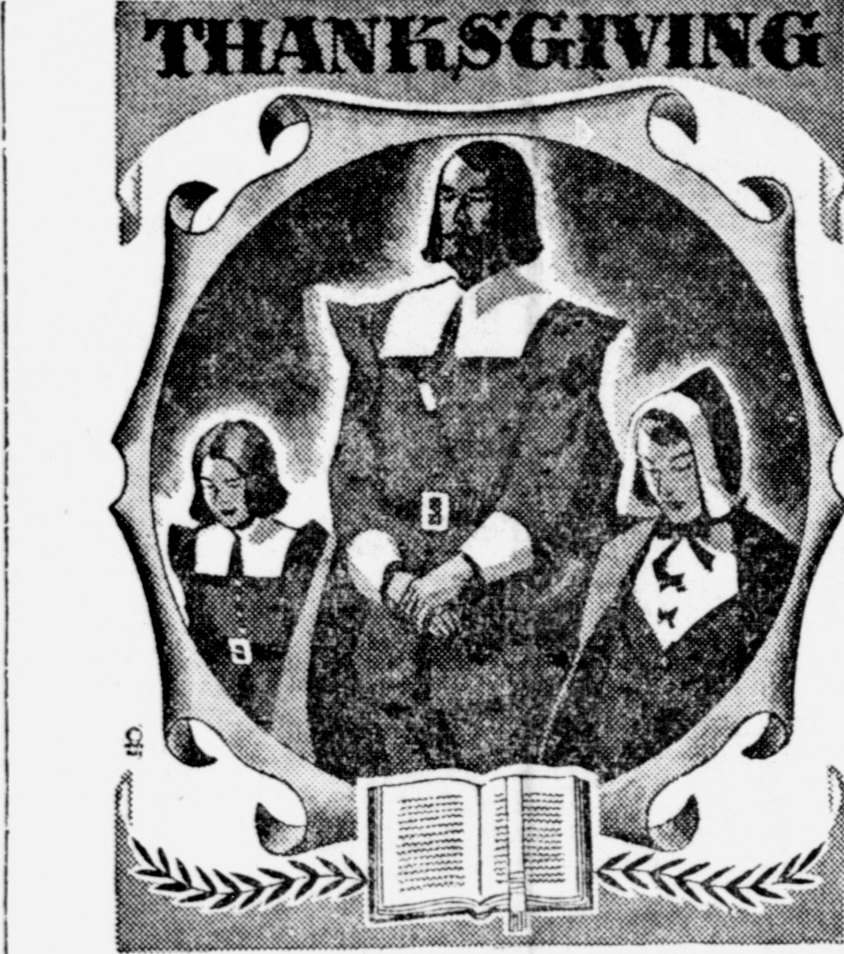

The pre-holiday Arlington schedule is as follows:
Friday, Dec. 1, Niles (T).
Friday, Dec. 8, Woodstock (H).
Friday, Dec. 15, Crystal Lake (T).
Tuesday, Dec. 19, Leyden (T).

Mrs. Plumly Retires From Edison Company; Employed 32 Years

Mrs. H. Garnet Plumly, of the Arlington Rest Home, Arlington Heights, retired from the legal department of the Commonwealth Edison company, last Wednesday, after having served that company for over 32 years. The organization presented her with a watch as a gift and gave her a farewell party at her office in honor of the occasion. Mrs. Plumly will now be able to devote more time to the Rest Home of which she is the proprietor.

PEDESTRIAN IN MORTON GROVE HIT BY CAR SUES FOR \$15,000

Henry E. Wilcher has sued Roy J. Schroeder in Superior Court for \$15,000 damages for injuries in an automobile accident on October 16, in Morton Grove. He states he was crossing Dempster street at Waukegan road when he was hit by Schroeder's car and seriously injured. He alleges Schroeder was speeding and not keeping a proper lookout.

Palatine Lions Demand Cut For Local Troop

Surplus Funds Of Drive To Be Used For Local Scout Needs

The drive for funds for the Palatine boy scouts proved to be a complete success and over \$300 was raised to keep Palatine Boy Scouts going.

Such was the report made at the meeting of the Palatine Lions club Thursday evening.

And when that report was made the fireworks started.

The majority of the opinion that some of that money should be retained locally for the benefit of the local troop.

The discussion waxed hot over what many members thought was a lack of cooperation from Scout headquarters.

Many of the boys who had solicited those funds said that they had made the statement that some of them would be used locally.

While a local Scoutmaster is not allowed to accept any pay there are many ways in which the scouts could be aided by funds spent locally.

H. A. Kincaid spoke of the time when he was scoutmaster that the Lions club members made a present of \$100 to the Scouts which enabled the scouts to attend camp and did the local troop more good than anything before or since.

After a brisk discussion a motion by Roy La Londe to keep \$149.00 for local use by the scouts was passed unanimously.

A committee was appointed to go into the scout matter renew the scouts charter and sponsor the troop for another year if satisfactory arrangements can be made with the scout headquarters.

Hopes were also expressed that a Cub Pack of younger boys could be formed and a meeting of parents will probably be called in the near future to discuss this addition to scout activities.

Thanksgiving Dance At Arlington Ballroom

A special dance is in store for dance "goers" Thanksgiving night, this Thursday, at the Arlington Ballroom with Earl Friedrichs and his orchestra furnishing the music. The dance is a feature of the holiday and is expected to draw a large crowd.

Attorney J. B. Alexander, representing Mrs. Catherine Sawyer, has filed a motion to strike some of the allegations in the complaint of John Considine contesting the will of his late grandmother, Mrs. Agnes Whelan, of whose will Mrs. Sawyer is executrix. Among other things the attorney alleges the complaint does not deny the will is properly signed and attested or that any coercion or duress is shown. It is contended his grandmother had a perfect right to cut plaintiff off with \$100 if she so desired as her will stated.

Dental Health Survey Reveals Startling Figures

East Maine New School Wins By Big Majority

Move School Grounds From Heavy Traffic To Cumberland Ave.

The people of East Maine will have a new school on a new location. After waiting a year for the government to allow a FWA grant, the voters of the district decided to build and pay for their own school house. The five propositions that authorized the entire project were given overwhelming majorities at the election Saturday. Votes in favor of the projects varied from 128 to 132 while opposing votes were from 36 to 46.

The school board of District 63 met Monday evening to take the legal steps authorizing the board of trustees to sell the present building and site. The new site is located at the corner of Ballard rd. and Cumberland. It is understood that unless some buyer bids a higher price, the owners of the desired land will accept in exchange for their five acres the present site and school building.

Plans for the new building have been ready many months as they were originally prepared for the consideration of the PWA, Arthur Swanson is the architect.

The election results were as follows:

Location of new site	For	Agst.
Purchase of new site	132	44
Erection of new building	133	41
\$31,000 bond issue	136	38
Sale of present site	128	46

The East Maine school election was the first to be held by any school under the new registration law that applies to school districts as well as the county and municipalities.

'Buy a Box and Eat With a Pretty Girl,'

Old Fashioned Box Social To Be Revived Dec. 5 at Field House

Hearkening back to the wistful days of the horse and buggy and the old fashioned box social, the Wheeling Township Regular Democrats are reviving that most popular event of the "good old days" by giving the younger generation a taste of the box social. It will be held at the Arlington Heights field house Wednesday, December 1.

For the benefit of the younger set who have never sat on daddy's knee and listened to what father and mother used to do when they were young, a box social is the cue for a young lady to fix up a real lunch for two, put it in a decorated box, and bring it to the field house where it will be auctioned off to the highest bidder, some gentleman in the crowd. A card with your name must be enclosed inside the box so that the handsome purchaser may know the pretty girl with whom he will dine as soon as the auctioning is over.

A word to the ladies. The most prettily decorated boxes (and smelling of chicken) will command the higher prices and are auctioned off last, and a good invitation for the town's most eligible bachelors.

A word to the gentlemen. There are going to be plenty of good looking young ladies present as the popularity queen of Wheeling township will be chosen that evening and their inducement to attend is a prize of a \$50 diamond brooch wrist watch. Second, third, and fourth valuable prizes will also be offered.

Girls of 16 years of age and over are eligible to enter the contest. Contestants are asked to contact their precinct captains, as printed in last week's paper, to get their instructions. Among the girls already entered are: Ruby Cole, Evelyn Helfers, Florence Foelker, Surreh Bigelow, and Marjorie Annen.

The popularity contest will climax the box social starting at 8 o'clock. Ladies and gentlemen from as far as California and New York are invited to bring their boxes and their pocketbooks to the field house on that evening.

In addition to the social and the popularity contest there will be other contests and events to make the evening full of riotous fun and merriment. An orchestra has been engaged for dancing.

Although this event is sponsored by the Wheeling Township Democratic Organization, it will be non-political.

Tests Show Half Of Pupils May Get Diphtheria

Although Arlington Heights has the reputation of being one of the healthiest communities in the state, the dental health program reveals that there is still much room for improvement.

In a recent survey of the grammar school children (public and parochial) 89% of those examined were found to have dental disease of some kind. In six weeks 15% of these children have had these defects corrected; 20% have indicated that they were unable to pay for dental services; 65% have indicated that they could have the work done, but just haven't done anything about it.

Despite the fact that children's teeth are considered more important to the health of a human being than any other organism, people continue to let them go because the teeth are going to "fall out." There are twenty teeth in a child's mouth at three years of age. Only eight of these twenty teeth are normally shed between the age of six and seven years. Twelve of them should be kept clean and healthy until the child becomes ten to twelve years old before they are normally shed.

The most important years of human life are the first twelve years. If the masticating apparatus (feed box) is not kept in a clean and healthy condition, surely, we cannot expect these little bodies to grow and maintain themselves in the best possible way.

Many childhood diseases could be avoided if only the food that the child takes could be properly chewed and would not have to pass through a passageway of filth and disease before it reached its destination.

The above examinations were made free of charge by the following members of the Chicago Dental Society, Dr. Edwin W. Baumann, Dr. Paul Bostian, Dr. Howard G. Dunn, Dr. Ray Gibbs, Dr. C. Elmer Hill.

10 GOBBLERS MISSING

The Yost farm, located on Bartlett road just south of rt. 72, last Wednesday reported that 10 turkeys had been stolen between the hours of 1 and 5 a. m. No trace has been found of the thieves.

Arlington Firm Gets Contract For Itasca Well

Old Fashioned Box Social To Be Revived Dec. 5 at Field House

The bid sent in by Wayman and Wayman of Arlington Heights has been accepted by the Itasca village board for the drilling of the new well. There was only one other bid.

Property of the new well for the Village of Itasca has been purchased and it is expected that the machinery will be set up ready for drilling by Friday.

Three lots have been purchased for the site of the well—between Orchard street and the railroad, west of Elm street, directly behind the shoe repair shop.

This site was selected by the state inspector, as well as the village engineer and well drillers.

At a special meeting of the village board Tuesday evening plans were discussed for building up the dam so that the creek can be used for skating this winter. The young people of the town will be glad to hear this news, and will look forward to enjoying some evenings of good skating.

Cook Co. Truck Growers Host To State and National Bodies

National Speakers To Address Convention At Chicago Nov. 4-7

by MABEL WARNKE

Out of town guests will arrive on Sunday so will be on hand bright and early Monday morning for registration at 9 a. m.

The program proper begins at 10 with addresses by August Geveke, Charles E. Durst and John Hoag, presidents of the three organizations represented. This will be the 31st annual convention of the national body and the ninth convention of the state group.

Health Nurse Reports On Schick Testing; Many Immunized

The report of the public health nurse, Mrs. Adele Pino, to the health committee, gave full details of the recently completed Schick testing program in the grade schools of Arlington Heights. This test is an accurate means of finding the susceptibility of any person to diphtheria.

Previous to administering the test, school authorities sent home with the children requests for written permission to do so. With a total of 354 pupils in the four schools, consent of the parents was received in 663 cases. Of these all were given the test except 31 absentees, who will have the opportunity at a later date.

A check on the reactions of all children who took the Schick test showed 348 susceptible to diphtheria. This most dreaded disease of children had at least that many potential victims in Arlington Heights alone. Many of these children are already receiving the toxoid treatments which will insure immunity for a number of years. Later another check will be made to find the number so treated.

Some of the children tested had been treated with toxoid several years ago. Among these only 24 percent were again susceptible. Among those who had never had treatment, 83 percent were found to be susceptible.

Among those children for whom parental consent for the Schick test was not received, 123 had never been given toxoid treatment. Based on the records given above, the assumption is logical that over 100 of those children are susceptible to diphtheria and will not receive toxoid treatment for immunization.

The nurse's report also included records of the Infant Welfare Clinic, of the dental survey in the schools, and of routine work by which the health of Arlington Heights children is guarded.

Arlington Football Squad Guests of George Halas At Chicago Bears Game

The past Sunday forty boys of the Arlington High School football squad were guests of Geo. Halas, owner of the "Bears" football team, at their game with the Philadelphia "Eagles" at Wrigley Field.

They thrilled with the rest of the crowd at little Davey O'Brien's passing feat of setting a new league record of forward passes completed in one game as well as to Bill Osmandski's spectacular ball totting.

The trip was made possible through college friendship of Mr. Conger, Arlington principal, with Mr. Halas, at school and in classes together at Illinois. Mr. Halas gladly extended the invitation to the Arlington boys under Mr. Conger's supervision the privilege of attending the game. Coaches Hogate, Hayes and Grose also attended the game with the squad.

Arlington Heights, Dunton ave. and
Fremont st., 11 a. m.

"Thanksgiving" will be the sub-
ject of the Lesson-Sermon in all
Churches of Christ, Scientist, on
Thursday, November 23.

The Golden Text will be, "Rejoice
evermore. Pray without ceasing.
In everything give thanks: for this
is the will of God in Christ Jesus
concerning you" (1 Thessalonians
5:16-18).

Among the citations which com-
prises the Lesson-Sermon will be
the following from the Bible: "O
Give thanks unto the Lord; call up-
on his name; make known his deeds
among the people. Sing unto him,
sing psalms unto him; talk ye of
all his wondrous works" (Psalms
105:1, 2).

The Lesson-Sermon also includes
the following passages from the
Christian Science textbook, "Sci-
ence and Health with Key to the
Scriptures," by Mary Baker Eddy:
"Are we really grateful for the
good already received? Then we
shall avail ourselves of the bless-
ings we have, and thus be fitted to
receive more. Gratitude is much
more than a verbal expression of
thanks. Action expresses more
gratitude than speech" (P. 3).

CHRISTIAN SCIENCE CHURCHES

"Soul and Body" was the subject
of the Lesson-Sermon in all Churches
of Christ, Scientist, on Sunday, No-
vember 19.

The Golden Text was, "What?
know ye not that your body is the
temple of the Holy Ghost which is in
you, which ye have of God, and ye
are not your own?" (1 Corinthians
6:19).

Among the citations which com-
prised the Lesson-Sermon was the
following from the Bible: "Let Israel
rejoice in him that made him; let
the children of Zion be joyful in
their King. For the Lord taketh
pleasure in his people; he will
beautify the meek with salvation"
(Psalms 149:2, 4).

The Lesson-Sermon also in-
cluded the following passages from
the Christian Science textbook,
"Science and Health with Key to the
Scriptures," by Mary Baker Eddy:
"The material body and mind are
temporal, but the real man is spiri-
tual and eternal. The identity of the
real man is not lost, but found
through this explanation: for the
conscious infinitude of existence and
of all identity is thereby discerned
and remains unchanged" (p. 302).

Dr. Walter A. Maier Urges Churches to Unite Against Communism

Communism in America has
dropped its friendly mask and re-
vealed its leering hatred of the
Christian Church, Dr. Walter A.
Maier of Concordia Seminary as-
serted today in his coast-to-coast
Lutheran Hour broadcast. He re-
ferred to the statement attributed
to Earl Browder, General Secre-
tary of the Communist Party in the
United States, that a Commun-
ist triumph in the United States
would bring a "purge of religion,"
and "liquidation" of most of the
present leaders and teachings.

"Communist victory in our coun-
try would mean one thing: closed
and desecrated churches, a deposed
and persecuted clergy, a Christ-
less, hopeless worship," Dr. Maier
added. "Mr. Browder promises con-
sideration and lenience only for a
small group of preachers. He does
not name these favored few, but it
may be assumed that he refers to
so-called modernists with whom
Communism has an unmistakable
tie-up and understanding, indicated
by the mutual endorsement with
which Communists have approved
religious radicalism and modernist
preachers have praised Communism."

The Church of God will survive
all these brutal onslaughts, he
noted theologian declared, but he
added that the time has come for
a clerical front against the inroads
of "unbelief and infidelity in
high church places." "The day
has dawned," he said, "when all
groups which accept the Bible as
the errorless revelation of God and
the only source of faith, and which
in whatever denominations they
may be found accept Jesus Christ
as their God and Saviour, should
come together. First of all they
should examine the doctrinal dif-
ferences that have separated
Christians into dozens of different
denominations. Then they should
learn just what the Word of God
teaches in these disputed issues;
and on the basis of the clear tes-
timony of that divine truth the
Christian churches should be com-
pletely realigned with an absolute
unity of faith in all scriptural
teachings and with a determina-
tion to defend that truth, under the
cry: Back to God and His Bible!
Back to Christ and His cross."

CIVIL SERVICE EXAMINATIONS ANNOUNCED

Theater News Told At Woman's Club Meeting

Mrs. D. M. Fawcett, who for eight years appeared in the leading theatres of the country and who has had the privilege of appearing in plays with Katherine Cornell, gave interesting high lights about some of the leading people of the stage, at the evening meeting of the Arlington Heights Woman's Club last Wednesday evening.

Mrs. Fawcett, who places Katherine Cornell as the first lady of the theatre, is personally acquainted with this well known artist, and told many interesting facts about the life and work of Katherine Cornell and her husband, Guthrie McClintic, who is her producer.

Another popular artist of the stage about whom she talked was Judith Anderson who starred in "The Family Portrait." Mrs. Fawcett read several scenes from this play.

Another popular stage artist about whom Mrs. Fawcett talked was George Cohan, that veteran of the stage who has appeared in public performance more than a thousand times, and who has written more than thirty-six plays and songs. She completed her program by reading from "The Vagabond," which was written by George Cohan.

Mrs. Fawcett presented a most charming appearance and personality to her audience who greatly enjoyed her "News and Views of the Theatre and the People in It."

Dr. Heller, violinist, and Wilbur Held, pianist, of Des Plaines, presented a fine musical program, playing popular and classic numbers for the pleasure of the audience.

The Golden Jubilee of the General Federation of Women's Clubs is celebrated with appropriate ceremonies by the local club.

Mrs. Fayette Briggs, club instigator, chairman for the seventh district Woman's club, presented the story of the Federation and resolutions were read honoring Mrs. James W. Walker, the founder of the Arlington Heights club, and Mrs. D. K. Draper, the second president of the club, who served seventeen years. Mrs. J. E. East was honored as the only living charter member, and was presented with a corsage.

Is Your Child HANDICAPPED?

Of every ten children classified at school as backward, five are found to have defective vision. Poor grades, a dislike of school, headaches, a cross disposition, all are the direct result of deficiencies of eyesight. An unfortunate thing about defective vision is that it is often impossible to detect without a thorough examination. A fortunate thing is that almost every case can be easily corrected with proper fitting of glasses. Your child deserves perfect vision. Have his, or her, eyes examined before school starts.

Woman's Club Book Review At Mrs. Moore's

"Inside Europe," the book chosen by the club as best fitted to aid in forming an intelligent opinion of the present situation in Europe, will be reviewed at the home of Mrs. Paul Moore, 628 South Belmont ave. on Nov. 29. The reviewer will be the past president of the club, Mrs. H. E. Glave, who is returning to active club work after a prolonged illness.

Another interesting feature of the program will be an evaluation of the books in our own library which deal with the European situation by Mrs. Herman Alme who will also provide a list of these books for any member who wishes one.

What other clubs in the district are doing in both literary and dramatic work will be a part of the report given by the chairman who has attended the district meetings of these two groups of chairmen.

All club members are urged to attend as this promises to be one of the most interesting meetings the committee has planned.

Mrs. Harold Wensley entertained her contract club Tuesday afternoon for dessert and bridge.

Mr. and Mrs. Warren Fellingham were hosts to several friends for dinner and bridge Saturday evening.

Little Judith Sherrill is visiting at the home of her grandmother in Evanston this week.

Thursday evening Mrs. Moodie, Mrs. Taylor, Mrs. Heller, Mrs. Fellingham, Mrs. Emmett, Mrs. Frank and Mrs. Atkinson and Mrs. Blackburn enjoyed dinner in the city and Katherine Cornell in "No Time for Comedy."

It Happened Here

BILL OF IDAHO
Bill got talking the other night, Remembering things as a fellow might;

He yarned and told us a corking story About pioneer men in the prime of their glory.

The Mukkeys, the Warners, Mahoney's and such.

When the wilderness held their good State in its clutch.

He told us of mines they worked back of the Ridge,

Of wading, and building the Middle Fork bridge,

Of snow that they wallowed in, eight feet deep,

And the dangerous slides on the smooth, rocky steep;

He told us of deer and of snow-shoes and timber,

Of packs and of camp fires when each tongue was limber;

He told us of hiking, wet thru the hide, And of venison steaks the men ate while they dried;

And what set his mind on this backward track

Was just some cracked wheat in Mahoney's sack.

November, the month of leafless trees and of smoldering bonfires, has its own jewel; it is topaz, topaz in the shimmering light down the long aisles of the trees and on the lichened logs, topaz in the morning mists and in the twinkling poplar leaves, topaz in the cider, in the husk fluttering from a load of cornstalks and in the last sun rays flashed from a distant window pane.

The Colorado correspondent writes that the deer season has affected the price of beef, that a big stick man is pasturing one thousand sheep in the stock fields, making such a peaceful scenery and that the stars are extra special lonesome so many and so near. The two little native sons, however, put no faith in the rotagrature feature of Chicago's lighted towers and hectic boulevard traffic—a fairy story, sure enough, and if it was true, what a waste of electricity!

S'Amuser.

DES PLAINES EAGLES TO GIVE DANCE DEC. 1

Campfire Girls Plan Bake Sale, December 2

The three groups of Campfire Girls of the village are combining their efforts in giving a bake sale Saturday, December 2, in the Public Service Store of Arlington Heights at 1:30 p. m.

While these groups are sponsored by the Parent-Teacher association and Woman's club they are also partly self-supporting and the proceeds of the bake sale will aid in their activities.

Chanyata Group Picnic
The Chanyata Group of Campfire girls held a picnic at Deer Grove Saturday where they prepared their meal over an open fire and later enjoyed a hike through the woods.

Mr. Ross Richards is guardian of this group.

Ocowasin Hold Camp Party
Ocowasin Campfire girls held a camp party at the home of Pauline Russell at 6:30 on Nov. 17. The girls who went to camp Naxakwa in Michigan last summer planned it so as to give the other girls an idea of the good times they had had there.

They showed the kodak pictures they had taken and told of the counselors and the daily routine and the special events. The "pot luck" supper was served as nearly like a camp meal as possible and afterwards they sang some of the songs which had been sung often at camp and had a "snake dance."

The "Campers" put on the funny skit for which they had received the "drama prize" at camp and a very capable game committee conducted games until time for "lights out."

Thanksgiving Party
The Chanyata group (first division) will have a Thanksgiving party at the home of Jean Freymuth on Friday evening, Nov. 24. The committee in charge is Jean Freymuth, Patsy Collins and Carla Bloeker. They have made spatter print place cards of turkeys and planned "Thanksgiving Punch" and tea cakes which they will make themselves for the refreshments. Many appropriate games will be played.

Mr. Hanauer was hostess to the members of her bridge club at a dessert luncheon last Wednesday afternoon. Mrs. McNally and Mrs. Hutchison were high at bridge.

Mrs. Naske passed away last Wednesday evening and the funeral was held Sunday afternoon at St. Peter's Lutheran church.

A group of old friends from Palatine and Arlington Heights gathered at Simon's Saturday noon to enjoy a luncheon and to honor Mrs. Butler, who is moving away. After the luncheon the group gathered at the home of Miss Lucile Paddock, where the afternoon was enjoyed visiting.

Madame Flagstad sings her only performance of "Lohengrin" on Wednesday night, November 29. Elen Longone, George Czaplicki, Reinhold Schmidt, and Mark Love are other members of the cast, with Josephine Swinney, Eleanor Blackinlay, Frances Glickman, and Louisa Hoe as the four pages. Mr. McArthur will conduct.

"The Bartered Bride," sung in English, will be the Thursday night popular priced bill for the fifth week. Hilda Burke, famed soprano, Monna Van, Janis Porter, Joseph Bentohelli, and Douglas Beattie are in the cast, and Henry Weber will conduct. The peasant dances will be supplied by the Littlefield Ballet.

Lily Pons gives Chicago another opportunity to hear her "Lakme" with its spectacular "Bell Song" on Friday night, December 1. Margery Mayer, Andre Burdino and Mark Love are principles in the cast, and Louis Hasselmans will conduct. The authentic Hindu dances in this opera, as performed by the Littlefield Ballet, were highly praised when they had their showing in Chicago last year.

The richly staged "Aida" will be the Saturday matinee offering of the week, with Dusolina Gammigning singing the title role. Giovanni Martinelli sings his only "Radiums" of this season, and others in the cast will include Elen Longone, George Czaplicki, Virgilio Lazzari, and Mark Love. The Littlefield Ballet will dance.

Madame Flagstad's last performance of the season is scheduled for Saturday night, December 2. She will sing "Brunnhilde" in "Die Walkure." Rose Hampton will sing

PTA Plans Lunch, Cooking Benefit At Jewel Tea

The Arlington Heights Parent-Teacher association are planning a luncheon and cooking demonstration at the Jewel Tea plant at Barrington, for Tuesday, December 5.

Guests are asked to be at the Jewel plant between 11:30 and 12 noon. A tour will be made through the plant, after which a luncheon will be served.

Following the luncheon a demonstration will be given by the Jewel Home-Making Institute. Prizes will be given away and at the close of the program, afternoon coffee will be served.

Tickets for this interesting event may be secured from any of the room mothers for 50c each, or by attending the Parent-Teacher meeting Tuesday evening.

Mrs. Gene Heller, ways and means chairman, is in charge of the benefit.

The Parent-Teacher association is not a money making organization and does very little in that line. The money from this event will be used to complete the budget for the year.

After the dinner the members of the party saw "Mr. Smith Goes to Washington."

The next day Mrs. Dobbins was again feted when a group of her friends from the village and from Evanston came out to the farm and surprised her.

Banner Bills Feature Fifth Week of Opera

Banner bills will feature the fifth week of the Chicago City Opera company's 1939 season at the Civic Opera house in Chicago. The week opens with a stellar performance by the Littlefield ballet at 8:30 Sunday night (November 26), when the group will present for the first time in Chicago, their most extravagant ballet — "Daphnis and Chloe."

The ballet itself features Catherine Littlefield, Dorothea Littlefield, Carl Cleighton and Thomas Cannon as special soloists. The evening's program will open with "Moment Romantic" to music by Chopin, and close with the ever popular, rollicking "Barn Dance."

Kirsten Flagstad sings her unquenchable "Elizabeth" in the opera "Tannhauser" on Monday night, November 27, at 8:00. Elen Longone, Margery Mayer, Paul Alt-nouse, Geo. Czaplicki, and D. Beattie, are in the cast, which will be conducted by Edwin McArthur. The Littlefield Ballet will supply incidental dances.

Scarsdale Holds 'Get Acquainted' Party

"Turkey in the Straw" may not have been one of the dance tunes played for the Scarsdale dinner dance Saturday evening, but turkey on the platter with all "the trimmings" was served to over ninety members of that subdivision, at a "get acquainted" party, which was held at Simons' Saturday evening.

The past few months have seen so many new people move into the subdivision that the officers and board of directors of Scarsdale decided that a "get acquainted party" was necessary.

Mr. Louis Hansen, chairman of entertainment, presented the officers and board of directors of the subdivision, and introduced each couple present.

After the dinner dancing was enjoyed and the party accorded a complete success.

Veteran Team Should Man Crystal Lake Boat To Victory

Leyden Average 6 Feet 2 Inches To 'Head' N. E. League

by G. A. McElroy

(This is the second of a series of articles dealing with prospects in Northwest Conference basketball.)

It is first or second in the coming conference race for the Crystal Lake cagers in this writer's opinion after looking over the lineup that will represent the McHenry county institution this winter. Coach Art Njaa has five regulars from a very good outfit of last season ready for the call and they average slightly over six feet in height with Krause the smallest at five feet eleven. Rickenback stands six-two, McClaussand six-one, and Etling and Oamun are on even six feet in height. With the exception of McClaussand who has won one letter, the veterans are starting their third season of varsity basketball.

In addition to this strong lineup of seniors Njaa will have the pick of a very strong lightweight team which was good enough to whip Hayes' Arlington team on two occasions. Everyone knows how good the Green Tornadoes were last year, finishing second in the conference with nine wins in 10 starts. Crystal Lake reserves due to see first team action are Zimmerman, Cowan, Schauble, Tipps, Narowitz, and Ross.

Open At Lake Forest
The Lakers open the conference season November 28, at Lake Forest, where they will be tested by one of the more promising teams of the new league. December 1 the orange and black squad will entertain Dundee and incidentally be glad they have moved into the Northeast loop instead of the so-called Little Sevu which DeLaCoe coached teams seem to monopolize.

Tallest in the League
Leyden will have the giant team of the Northeast League. Coach Sam England will be able to put a team of lettermen on the court averaging close to six feet two inches in height and what is more the Eagles have eight returning lettermen. On paper that is certain to make Leyden one of the leading contenders for the championship.

However there is another side to the story. Leyden will only be a contender if the big fellows pick up a little speed and use their height to the greatest advantage. They lost games last year to a number of small teams who loosened up their zone defense and took advantage of their awkwardness. However the Leyden boys who an-

Pirates Rout Opponents In Practice Games

Palatine Outpoints Four Teams In A Row; Warren Loses 36-14

Palatine defeated Warren in a practice game Friday afternoon 36-14. It was the fourth such practice session within a week for the Pirates who have outscored Ela, Antioch, Arlington, and Warren in succession.

Fink with 11 points and Snyder and Hahnfeldt, with 10 apiece, set the scoring pace for the Pirates against Kelton's Blue Devils. Palatine made 16 baskets in 62 attempts while Warren hit five out of 31. The half time score was 18-5. Nelson and Herman are the only boys Warren has returning from their championship squad of last season.

Mac Says

by GERALD A. MC ELROY

Last spring when the basketball season closed we were of the opinion that the 1939-40 race in the Northwest Conference might narrow to a contest between Wauconda and Palatine and after seeing Herrmann's boys trounce Bensenville Friday night we have not changed our opinion of them. In fact they look like the team to beat if anyone has title aspirations. After they play Barrington tonight we will have a better idea of their chances. Grant, Barrington and Northbrook are other teams that will bear consideration and don't play Ela short either. In fact Antioch appears to be the only team that will not win a fair share of victories but you never can tell in this game of basketball.

Moral Victory For Bisons
Leyden's 27-25 victory over Bensenville last Tuesday, is indication that the Eagles are not ready to meet a major opponent. Bensenville has a small team with quite a lot of speed, but lacks the experience and ability to cope with the class of team that Leyden should expect.

They Are Still Doing It
Dundee, as usual, has a basketball minute team when playing schools of its vicinity. The Cardinals submerged Barrington last week but practically massacred those Antioch Indians the week before. They have already trounced Evanston by lopsided margins in two practice encounters and are likely to have an even better team than last season with their three best regulars back again.

Will Have Swimming Team
Niles has started swimming workouts under the direction of Morgan Taylor with 25 boys reporting. Lake Forest and Woodstock will be the only other Northwest schools having pools available for this sport.

Voted Most Valuable
Eugene Field who started the season at fullback and then shifted to a tackle berth, was voted by his team mates the most valuable member of the 1939 squad. His name will be engraved on a gold football in the school trophy case. Similar awards were made to Hampton in 1937 and Eby in 1938.

Require Two Officials
A clause in the constitution of the Northeast Conference requires two officials on all basketball games played as league contests. This is a fine rule. The game of basketball as played at present needs two men to see that all participating get a square deal and to keep the games under the control conducive to good basketball.

Schedules Announced
In this issue we are printing the complete schedules of the Northeast and Northwest Conferences. If there are any changes they will be announced later. In the Northeast circuit each team meets five opponents on a home and home basis and plays single contests with the other two for a twelve game schedule. In the Northwest loop each team plays three teams twice and meets the other four on but one occasion for a 10 game card. The Northwest conference is divided into a North section and a South section. The home and home games are played between teams in the same section. In the South section are Barrington, Bensenville, Northbrook, and Palatine and the North section is made up of Antioch, Grant, Ela, and Wauconda. Next year the Northwest league is expected to operate on a straight home and home schedule of 14 games.

Make Lake Co. Team
Five Northeast Conference athletes were recently picked by the Waukegan News-Sun on the All Lake county grid team. Warren placed Kennedy at fullback and McCaughey at center; Lake Forest was honored with Atkinson at tackle and Lindenmeyer at end; and Libertyville's versatile Paul Brown made the team at half back. On the second team were Hoskins of Libertyville, quarterback; Lohman of Lake Forest, half-back; Paulston of Grant, guard; Jacques of Grant, halfback; and Balmes of Warren, end.

An Impressive Record
Hank Verbeke, the capable Lake Forest publicity man, states that the Lake Forest football record in the five years that the school has been in operation totals 26 vic-

tories, eight defeats and four ties. The Scouts have tallied 598 points to their opponents' 210. When they were shut out 6-0 by Crystal Lake it was the first time in 25 contests. This year's team was the best defensively in the five years, but the weakest scoring machine yet its record was second only to the champ club of 1937. Lindenmeyer can justly be proud of this fine record.

Get Parents' Opinions
Last week we sent out 50 letters to parents of Palatine high school boys explaining all angles of the football situation. If football is to be brought back again in Palatine, it will be with the approval of the parents of the boys likely to participate. If the public and mainly the parents, do not feel it would be worth the cost, then it will not be started. The Northwest Conference hopes to make the 1940 schedule at a meeting at Northbrook on December 4. It is hoped that all the parents contacted will return the questionnaire stating approval or disapproval at an early date so that the Board of Education may consider the matter before the time set for scheduling games. So far the returns are about equal between those for and against the sport.

Bensenville Splits Twin Bill With Wauconda

Regulars Lose But Lightweights Triumph, 28-14, In Opener

Bensenville and Wauconda split a double bill on the Bisons' court Friday night when the home team won the lightweight game 28-14 and the visiting Wauconda quintet captured the main event 29-19.

Neither team could do much scoring in the first half of the preliminary game which ended 4-3 for Wauconda but Bauman and Fry started hitting for the Junior Bisons and they romped away with the game in the last period. Half of Bensenville's points were chalked up in the final quarter.

Wauconda ran up a 16-5 lead at the half in the first team game but the Bisons played the visitors on even terms thereafter. Dickson's rebound work at both ends of the court was a major factor in Wauconda's victory as he forced Bensenville to attempt long shots while he himself scored nine points. While Stone did little scoring his ball handling and defensive work stood out for the winners. Baumgartner, Lindenman and Eckelman shared scoring honors for Bensenville.

Wauconda May Be Set To Break Into Win Column of N.W. Loop

Herrmann Building Up Good Team From Usual Celler Five

by G. A. McElroy

(This is the second of a series of articles dealing with prospects in Northwest Conference basketball.)

"Jake" Herrmann's Wauconda quintet and Bricker's Barrington Bronchos appear to this writer to be two of the leading cage fives in the Northwest circuit this season. Which is the better at this point in the season will be decided when the two clubs tangle at Wauconda tonight (Tuesday).

Herrmann, who used to coach outstanding teams at Hampshire year after year has been building up basketball at Wauconda in the past two years to the point where the Bulldogs may be ready to cop a championship. Taking over a team that lost all its league contests "Jake" brought the school a record of six wins and four losses good for fifth place in a 14 school conference last year.

Has Chance At Title
Wauconda has height, ruggedness, and above average ball handling. Dickson, 220 pound center, who stands six feet three inches can rebound equally well at both ends of the court and with Stone, a clever guard, form the backbone of a strong zone defense. Another veteran of last season is Froehlich, an above average forward. Porten and Werden, reserves last year, complete the starting five. The team is well grounded in fundamentals and certainly will not finish below third this season and has a fifty-fifty chance to cop the title.

Bronchos May Surprise
Bricker, in his first year as varsity coach at Barrington, will have some good material but rather inexperienced in heavyweight ball. No regulars from Clark's team of

last year remain but four rangy squad members are left who saw as substitutes. Miller, who stands six-two, Bauman six feet, and Jones and Grueling, both five-eleven, are the lanky boys who will do most of Barrington's court work. Zimmerman and Eters of last year's lights are the leading candidates for the fifth spot on the starting quintet.

The fact that Barrington's regulars will average right around the six foot mark in height will be a great advantage as most of the conference teams this year are smaller than usual. The Bronchos' chances can be pretty well determined after they have met Wauconda and Ela in pre-conference games. It looks like Barrington has as good a chance as anyone in a rather evenly matched league.

Not a quiver in a Hoodful
LIFT the bonnet of a 1940 Buick and you'll see a hoodful of power plant whose very dimensions reveal the vast reserve of energy it puts at your command. But just start this over-size giant—stir this sleeping brute into action, and you find that only the blur of the fan blades betrays its readiness to get up and go! For you're looking at an engine balanced within limits eight to sixteen times closer than ordinary practice permits. So precise is Buick's exclusive method of micropoise-balancing after assembly that a misplaced dime's weight on the flywheel rim is enough to reject any engine until that condition has been corrected. On that score alone this hundred-plus horsepower straight-eight qualifies as "Best buy's Buick!"

the world's one-and-only of its kind. But in addition to that it's a valve-in-head engine, 10% more efficient, size for size—and it's a Dynaflex valve-in-head, which means it gets more good out of every drop of gas! The car this great eight powers has plenty to lay claim to your attention—smart new styling, Buick Coil Spring's "full float" comfort, "finger flick" Handi-shift transmission, seats in some models that are next thing to five feet wide. But even if you overlook them and all the rest of its 72 new features—your best buy's still Buick on its power plant alone. There's not a quiver in a hoodful of ready-to-ramble energy—and nobody will be more pleased to prove it than your nearest Buick dealer!

Not a six but an EIGHT for \$895 and up delivered at Flint, Mich.*

Local Basketeers Gird For Battles

by Charles E. O'Hagan

As is their annual custom the young men and women of Arlington Heights started to prepare for the oncoming basketball season by first securing permission to use the high school gymnasium.

The permission was secured at an increased rental fees for the local high gymnasium.

Last year's fees, practice \$1.75, new rate, \$5.50.

Last year's fees, game, \$5.00, new rate \$11.00.

Nevertheless the girls have already commenced their workouts at the Methodist Church on Wednesday evenings. All girls interested in playing with the Arlington team are invited to report for practice Wednesday evening, Nov. 22 or 29 at 8 o'clock in the Methodist gym.

There are no requisites for membership on either the men or the girls team other than a desire to play the game and work for the common good of the teams.

It might be of interest to fans to hear we have already contacted the famous New York Rens for an early date.

All fans are able to attend in numbers exceeding last year's attendance by 100 per cent.

Wisconsin-Illinois Series Ends In Draw

Motorists of Wisconsin and Illinois came together, failed to see stop signs and lights, crashed, but none of them conquered.

When Roger Hinterthuer of Milwaukee stopped for the sign last Tuesday at the junction of River and Milwaukee rds., he was rammed by the car of Paul Kaminski of Chicago.

American Citizenship

An American citizen loses his citizenship if he becomes naturalized in a foreign state or if he takes an oath of allegiance to a foreign state. The oath that is required in connection with foreign military service usually expatriates the citizen, while the fact that he has voted in another country would also indicate he has given up American citizenship.

Informal Dance Plan Of Palatine Alumni

25 Cents Admission To Open New Winter Activities November 29

In a recent meeting of the officers of the Palatine high school alumni association, made some tentative plans for the future, including an informal dance to be given in the high school gym Wednesday evening, Nov. 29, from 8 to 12 with music furnished by recordings.

"Since one of the purposes of an alumni association is to bring about a closer relationship among alumni members, we feel that such an event should be worth your while. There is every possibility that if you alumni cooperate on this affair we can make this a regular event," said Alex Tudyman, president of the association.

"The best news is that this dance will fit everyone's pocketbook. Admission is but twenty five cents a person and alumni members and guests are invited.

The officers of the alumni association want it known that another purpose of the dance is to welcome graduates of the high school to the association before the spring reunion, so that they may become better acquainted by that time. With that view in mind, the alumni are inviting the seniors to join in this event.

Many of you alums have made the plaintive cry, "why can't we have something in Palatine that gives both young and old a chance to do something that doesn't cost a lot and yet get together?" Here is their chance to really have a sweet time for less than the price of some

movies.

"We wish to thank the high school board of education for their wonderful cooperation in giving us the use of the gym," state the officers. Tickets may be obtained from Dolores Meyers, vice president, Louise Wente, secretary, Leslie Deverman, treasurer, and Alex Tudyman.
